Draft Policy for Including Community Events* in PTO Newsletter

**defined as an event or news item that is not pertaining directly to the Franklin-Randall PTO, Schools, or does not directly support Franklin-Randall students (i.e. announcements about community groups or events that provide direct support to Franklin-Randall families such as food, clothing, etc. are not covered by this policy)*

Community event announcements can be included at the discretion of the newsletter editors if space allows. In order to be included they must first go through the [MMSD approval process](#) to be posted on MMSD's community calendar page. Announcements should be limited to no more than three sentences; web links can be used to provide more information. The Community event announcements should run at the very bottom of the newsletter after all PTO and school news.
