October 2017

Dear Friends and Family of Franklin-Randall Students,

We are fortunate to have so many engaged supporters for our community schools, including friends and family of students, teachers and staff who donate time and resources to help us achieve our goals throughout the year. We are so grateful for this additional support.

As we embark upon a new school year, we are asking friends and family of Franklin-Randall students to consider a contribution to our Fall Fundraising Campaign. School budget cuts unfortunately continue so this year's campaign is more important than ever to help our teachers purchase classroom supplies and participate in professional development and collaboration activities with other teachers. Your donation also helps support important initiatives such as staff and resources to run the Bayview ESL summer study program.

Our goal is to raise \$22,500 during this campaign by November 30th. Every dollar makes a difference. **No gift is too small!**

Did you know...

- \$5 buys a book for a classroom library
- \$25 pays for plants in the outdoor classroom
- \$50 funds classroom materials above and beyond what the school can provide
- \$200 exhibits our students' artwork at Randall's Gallery Night
- \$500 supports each school's Social Justice Fund, directed by school social workers
- \$1,000 pays for the cultural arts programming at Franklin and Randall

Our fall fundraiser is a simple way to get involved to experience the impact that Franklin-Randall teachers, staff, students, and families are making in our schools every day. Your financial support makes this work possible.
