

▼ PTO Board Meeting Feb 13

- Anne moved/seconded to approve January minutes

▼ Thanks to Adam for putting together recommendation

- Need to distribute survey through Constant Contact instead of school messenger
- Looking to get surveys translated for PEG groups (Latinx meeting next week). They will fill out paper copies and get those back to us.

▼ Fund raising opportunities:

- feedback from parents new to F/R that fundraising came too soon

▼ PEG update:

- Looking forward to bringing food to carnival this weekend and raising money!
- From Tonya: Hmong PEG group doesn't meet until March

▼ Principal updates:

- Will probably save mostly for wider meeting

▼ Code Red at nearby bank

- Vocabulary for kids is not to use "Code Red" or "Lockdown," since it's anxiety provoking

▼ Membership meeting updates:

- We're feeling good for today

▼ Thinking about future presentations

- Zones of regulation?
- Transition plans for kids coming from Franklin to Randall?
- Grant recipients summarizing their projects?

▼ Treasurer's report

- GloBall a little under estimates, but hats did well
- Looking to follow up on slow check from MMSD for parking
- More info to come about tshirts once Diane is back

▼ Principals' discretionary fund got exhausted by pizza for Randall Success night.

- Future item to consider would be whether Student Success Night could be pot luck?
- or possibly budgeting for Student Success Night as a line item rather than discretionary expense?

▼ Carnival/Event needs:

- Saturday, 11:30-3:00
- ▼ West Side PTO Alliance:
 - No meeting, so no update.
- ▼ Topics for PTO Board through end of year?
 - ▼ Status of International Dinner?
 - Largely replaced by end of year picnic
 - Someone's submitted for grant to do a similar event as parent-driven
 - ▼ Recruiting for PTO/Volunteer spots
 - Coordinator for Super Science Saturday/MMM is moving on
 - Jess clarifies that Volunteer Coordinator is not, in fact, responsible for filling PTO Board positions
 - ▼ Q: could we/would we do parent-only events like a trivia night or mixer?
 - Historically it's been both a logistical heavy lift and also haven't needed to from a fundraising perspective
 - Summer event, maybe at Goodman Pool?
 - Social events early in the year to encourage parents (teachers optional?) bonding?
